About This Content

Gold is the premium currency in Call of War, it can be used to obtain various special features.

Gold can be used in various places in the game directly: it allows you to research and construct faster, decrease enemy morale, start a propaganda campaign to raise your own troops morale and more. Each function that allows the use of gold has a gold button.

** Note: Each DLC pack may only be purchased and activated once per Call of War account. Previous ownership of items contained in the DLC package does not constitute a valid reason for refund or compensation, so please check them carefully prior to purchase. Any monetary value, quotation or price provided in the details is non-binding and for visualization purposes only."*
